ORDER

On August 10, 2015, Muhlenberg County Water District #3 (“Muhlenberg District #3”) filed an application requesting that the Commission grant Muhlenberg District #3 a Certificate of Public Convenience and Necessity (“CPCN”) to construct an office building. Through the same application, Muhlenberg District #3 requests approval of the financing for the project, a loan in the approximate amount of \$250,000. Muhlenberg District #3’s application was accepted for filing on November 6, 2015, when all filing deficiencies were cured.

Pursuant to KRS 278.300(2), the Commission shall have 60 days from the date of the filing to consider Muhlenberg District #3’s application for authority to issue or assume securities or evidences of indebtedness unless it is necessary for good cause to continue the application for longer time than 60 days. Additional information is needed in the record in this case, and it will be necessary to extend the time for ruling on the request for approval of the financing of the project beyond the 60-day limit in order to obtain and review the information. Therefore, the Commission finds good

cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

IT IS THEREFORE ORDERED that Muhlenberg District #3's application for authority to issue or assume securities or evidences of indebtedness in connection with its request for a CPCN for an office building is continued beyond the 60-day period specified in KRS 278.300(2).
